## MAJOR CLIENT SERVICE EMPHASIS AND AREAS OF EXPERTISE

- Specializes in litigation support, fraud/forensic accounting services, business valuation, and healthcare financial consulting.
- Litigation support expertise includes quantification of economic damages associated with commercial litigation, personal injury, wrongful death, and employment disputes.
- Experienced in providing fraud/forensic accounting services including the identification and quantification of fraudulent activity in a variety of industries.
- Performs business appraisals in cases of divorce, shareholder dispute, and condemnation.
- Provides healthcare financial consulting services related to a variety of providers including ambulatory surgery centers, physician practices and outpatient service providers.
- Prior to joining Virchow Krause in 2006, Susan's experience included eight years providing litigation support, fraud/forensic accounting and business valuation services. Previously, she spent fifteen years in leadership capacities in health care finance. Her healthcare experience included financial planning, expansion and divestiture activities, reimbursement, and treasury services including debt offerings and investment management. She obtained her CPA certification and was a Manager at Deloitte & Touche where she spent eight years on the audit and tax staffs.
